Dark purple red with violet hue and almost black centre. Elegant aroma profile with hints of smoke, toasted aroma, mild spices and white pepper, ripe mulberries and blackcurrants. Well structured on the palate with good weight and length, quite complex approach with well balanced tannins.

Medium deep ruby red. Quite roasted nose with new oak and coffee notes, blackberry meat and spices on the palate, good density of fruit, a polished texture with ripe dark berries, nice meaty and spicy notes, warm and rounded finish with ample fruit and very good length.
